WELCOME

Bonjour !

Welcome to le Central Boutique Hôtel ! It’s great to have you here and we hope that you’ll enjoy your stay with us !

To make sure you live the best possible experience, here’s a small guide with everything you need to know. Absolutely EVERYTHING !

Présentation

THE CONCEPT

For over 200 years, we have had the pleasure of welcoming you. While our spirit of hospitality remains unchanged, your expectations have evolved and we fully understand that. In 2021, we completely redesigned our spaces to offer modern comfort and personalized services, tailored to meet all your desires… even the most unexpected ones.

Balancing tradition and modernity, our establishment breaks away from the conventions of classic hospitality while preserving the high standards of a grand hotel. Here, everything is designed to make you feel at home, with attentive care at every moment.
From breakfast to evening cocktails, including lunch, coffee, or a glass of wine, Le Central accompanies you throughout the day in a warm and friendly atmosphere.

But by the way, why “boutique hotel”?

Born in the 1960s, this term refers to independent hotels that stand apart from large chains through their strong identity, distinctive style, and highly personalized service.

With us, this uniqueness is also expressed through art: all the works displayed in the hotel are available for purchase. If one of them catches your eye, feel free to make us an offer.

Finally, extend the experience by discovering, in our display cases, a selection of local products: “Secrets Incomparables” spreads made in Beaune, carefully selected wines, umbrellas, and even board games such as “Après-ski.”
